### HISTORY

- In 1967, we began serving east Volusia County as Ormond Memorial Hospital.
- In 2000, the facility joined Adventist Health System and became Florida Hospital Ormond Memorial.
- In 2009, the main campus moved from its Ormond Beach site to its current location adjacent to Interstate 95 in Daytona Beach and was named Florida Hospital Memorial Medical Center. The 327-bed facility features all private patient rooms in 718,000 square-feet of space.
